5. The student organization agrees that they shall only submit through the Submission Form specially designated for Accreditation Applications and that the PUP SC COSOA shall recognize no other forms.
6. The student organization agrees that any submissions that do not adhere to the given mechanism shall automatically yield to their documents being returned to the sender or point of origin of the documents.
7. The student organization agrees that exceeding the total allowable number of submissions, i.e., initial and resubmissions, shall void their application for Accreditation for the academic year.
8. The student organization agrees that an unaccredited/non-revalidated organization will not be allowed to conduct or partake in any activity, event, or program within and outside the University. Should there be any operations during the academic year from the organization, all those will be determined with illegitimacy and extralegal to represent the Branch/Campus/University the organization/formation is occupying.
9. The student organization agrees to the statute of the Student Council Constitutional Commission; should they fail to comply and accomplish the Accreditation process on time, the Commission shall take measures to nullify the application of the organization, thus shall supersede the benefits and privileges given to them but none.

FORCE MAJEURE

The organization agrees that neither the PUP Student Council Commission on Student Organizations and Accreditation (PUP SC COSOA) nor the submitting student organization/formation shall be considered in default or breach of the Waiver of Responsibility when failure or delay to perform should be triggered by any acts of the force of nature beyond either party's control. Such acts or forces of nature would include but are not limited to acts of God (tornado, hurricane, earthquake, etc.), fire, flood, hostiles, war, striking, medical conditions, and institutional or governmental restrictions. Should such undertaking be observed either of the parties, and such performance is interrupted by any acts aforementioned, the Commission shall have a more potent jurisdiction; hence, such decisions will be held inviolable.

WE HAVE READ THIS AGREEMENT AND HAVE SIGNED IT FREELY. WE FULLY UNDERSTAND IT TO BE A COMPLETE AND UNCONDITIONAL WAIVER OF RESPONSIBILITY TO THE EXTENT OF THE STUDENT COUNCIL COMMISSION ON STUDENT ORGANIZATIONS AND ACCREDITATION AND THE OFFICE OF THE STUDENT SERVICES'S STATUTE.
